From our Host

As the founder of JDM Funding Corporation and your host for the 14th Annual Play for Parkinson's Golf Tournament, I am filled with immense gratitude and excitement as we come together to support families living with Parkinson's. This year marks my 13th year being involved with this incredible tournament and organization, and it is a privilege to witness the generosity and commitment of our community. Your support directly provides immediate relief to families navigating the challenges of Parkinson's, ensuring they have the resources and hope they need today. Thank you for standing with us and for making a tangible difference in so many lives. Together, we are delivering meaningful change, one swing at a time.
