# The Challenge

**Parkinson's is the fastest-growing neurological disease in the world.** Every 6 minutes someone in the United States is diagnosed with Parkinson's. 90,000 individuals in the United States will be diagnosed this year alone.

With a significant rise in health insurance, cost of living and prescription expenses, we're here to provide families with the ability to receive the care they need and deserve.

# Our Mission

The Parkinson's Wellness Fund is combating this national crisis by providing immediate relief directly to individuals living with Parkinson's, today.

**Free of Charge.**

# We're grateful for the individuals we have assisted around the world.

# From our Host

As the founder of JDM Funding Corporation and your host for the 15th Annual Play for Parkinson's Golf Tournament, I am filled with immense gratitude and excitement as we come together to support families living with Parkinson's. This year marks my 14th year being involved with this incredible tournament and organization, and it is a privilege to witness the generosity and commitment of our community. Your support directly provides immediate relief to families navigating the challenges of Parkinson's, ensuring they have the resources and hope they need today. Thank you for standing with us and for making a tangible difference in so many lives. Together, we are delivering meaningful change, one swing at a time.

Thank you,  
*Josh Moorvitch*
